HERE IS YOUR PLAN TO PROTECT YOUR MONEY OVER 5 YEARS INTO DECADES WITH OUR FUND OPPORTUNITY

Each of our funds are a 5-year lock up, then will RENEW for another 5 years and additional renewals and so on. With your return of profits as a **co-GP** delivering similar returns each quarter of each year under our **RISK MANAGEMENT PROVEN STRATEGY APPROVED with the U.S FEDERAL RESERVE BOARD/The “FED”** and over future years with possible capital calls and Non-Leveraged reinvestments for each fund will anticipate becoming a multi-billion dollar performance fund and you as one of our **co-GP’s REAP** the **HUGE** positive profits quarter after quarter, year after year, decade after decade, just like a Wall Street high paid fund manager. Below Funds 1/2/3 and declining 9/7/5 X/Times return on performance examples.

FUND #1 a UNIQUE ONCE in a LIFETIME co-GP OPPORTUNITY with a 9 X TIMES PERFORMANCE RETURN EVERY 5 YEARS

Place **\$100,000** and at the end of the 5 years first lock up (then renews with possible increased performance returns every 5- years) @ 9X. Your \$100,000 becomes \$900,000 or more, TOTAL at the end of first 5-year lock-up. Each and every 5 years after RENEWAL with this #1 Fund example returns \$900,000. **Re-invest half/50% and pocket the other 50%, with only half or \$450,000 going into #2 Fund.** After the first 5 year lock-up return the next 25 years or 5 (RENEWALS) X #1 Fund will return \$900,000 X 5 = \$4,500,000 + you pocketed \$450,000 for 30-year total of **\$4,950,000** all from the original \$100,000 but paid QUARTERLY EACH and EVERY YEAR so about year 3 in the first 5-year #1 Fund lock-up period you can then re-invest **half/50%** no need to wait till the end of the 5-year lock-up, moving faster to RE-INVESTMENT as a co-GP into our #2 Fund.

FUND #2 will anticipate a 7 TIMES/X PERFORMANCE RETURN EACH 5 YEAR LOCK UP PERIOD DURING EACH RENEWAL

You are now ready in about year 3 of #1 Fund to place your **half/50%** or \$450,000 @ 7 X/TIMES co-GP PERFORMANCE returns. Place \$450,000 and at the end of the first 5-year lock up (with renews and possible increased performance every 5-years) @ 7X performance. Your \$450,000 co-GP RE-INVESTMENT becomes \$3,150,000 or more. Each and every 5-years after RENEWAL with this #2 Fund example returns \$3,150,000 or more at the end of first 5-year lock-up. **Re-invest half/50% and pocket the other 50%, with only half or \$1,575,000 going into #3 Fund.** After the first 5 year return the next 25 years or 5 (RENEWALS) X #2 Fund will return \$3,150,000 X 5 = \$15,750,000 + you pocketed \$1,575,000 for 30-year total of **\$17,325,000** all from the original \$450,000 but paid QUARTERLY EACH and EVERY YEAR so about year 3 in the first 5-year #2 Fund lock up you can then reinvest half/50% no wait till the end of the first #2 Fund, moving faster to RE-INVESTMENT as a co-GP into our #3 Fund.

FUND #3 will anticipate a 5 TIMES/X PERFORMANCE RETURN EACH 5 YEAR LOCK UP PERIOD DURING EACH RENEWAL

You are now ready about year 3 of #2 (if you are counting, now at about the 6th year total time frame both #1 and #2 Funds to enter into #3 Fund) place **half/50%** or \$1,575,000 @ 5 X/TIMES co-GP PERFORMANCE returns. Place \$1,575,000 at the end of the first 5-year lock up (then renews with possible increased performance every 5-years) @ 5X renewal performance. Your \$1,575,000 co-GP RE-INVESTMENT becomes \$7,875,000 or more. Each and every 5-years after RENEWAL with #3 Fund example returns \$7,875,000 yes, the next 25 years or 5 X #2 Fund Renewals will return \$7,875,000 X 5 = \$39,375,000 + you pocketed \$1,575,000 for 30-year total of **\$40,950,000** all from the original \$1,575,000 RE-INVESTED into #3 Fund and paid QUARTERLY EACH and EVERY YEAR so you have liquid assets every 3 months for all three Funds. Now a final Grand Total below.

GRAND TOTAL OF ALL 3 FUNDS ENDING 30 YEARS OF ALL 3 FUNDS AS PROJECTED AND VIEWED IN OUR PROSPECTUS!

From your original **\$100,000** Investment with 50% onetime Re-Investments: **#1 Fund Total \$4,950,000 + #2 Fund Total of \$17,325,000 + #3 Fund Total of \$40,950,000 for a GRAND 30-year TOTAL of \$63,225,000! Start with \$10,000 instead of \$100,000 drop a zero for Grand Total of \$6,322,500! or start with \$1,000,000 and add a zero for Grand Total of \$632,250,000!** You may choose just to co-GP with #1 Fund only that is ok as well.
